# ABOUT GENERATOR

Generator isn't like any other hostel or boutique hotel - we combine affordable rooms with a unique interior design and social events for all types of travellers within the hotspots of coolest cities.

After starting out in London you can now find us in Amsterdam, Barcelona, Berlin, Copenhagen, Dublin, Hamburg, London, Madrid, Miami, New York, Paris, Rome, Stockholm, Venice and Washington D.C.

Each of our locations has something special to offer like the roof tops in Paris and Rome and Madrid or the Oosterbar in Amsterdam.

Generator has been hosting groups since the beginning and has a wide range of experience from check-in to the food and beverage components, which are lovingly and professionally prepared in our own kitchen, all the way through to departure.

If you have any special requirements, we are here to make them happen for you.

**ROOMS** – Our properties offer a wide choice of dormitories from 4 to 14 bedded rooms mostly ensuite, depending on destination and your preferences. You can decide which rooms you get for your group. Group accommodation is, if required, exclusive with Generator, which means no unknown guest will be accommodated within the same room. All extras like towels, shampoo, hair dryer, locks are available in our travel shop which is open 24/7.

**FLOOR** – Depending on the size of groups, they are accommodated together which is particularly beneficial to student groups and excursion groups.

**GROUP LEADER ROOMS** - We offer doubles, singles and triples to group leaders only and these should not exceed 10% of the booking. These rooms are offered on a much more attractive travel agent rate and hence limited to group leaders.

**PRIVATE ROOMS ONLY** – We do accept “private room” groups (those looking for twins, singles or doubles only). Our private rooms are fully equipped with towels, hair dryer, shampoo and complimentary water and receive daily service from our housekeeping team.

**DYNAMIC PRICING** – Our rates are based on the availability of the property; we don't have fixed prices. Rates are locked though when offers are issued. Rates are locked until the option date (rate expiry date). We are working with three different option levels.

**RATES** – Our rates need to be requested from our Central Reservation Office and are valid until the option date.

# WORK WISE

**MINIMUM STAY** restrictions are then put in place when these gaps are too large to re-sell online.

**GROUPS** often take up large sections of the hotel – and when these are not connected, properties are left with massive gaps in availability.

**WEEKENDS** many of our hotels don't accept group check in or check outs on Saturday. This usually leaves us with our main weeknight empty (the Friday).

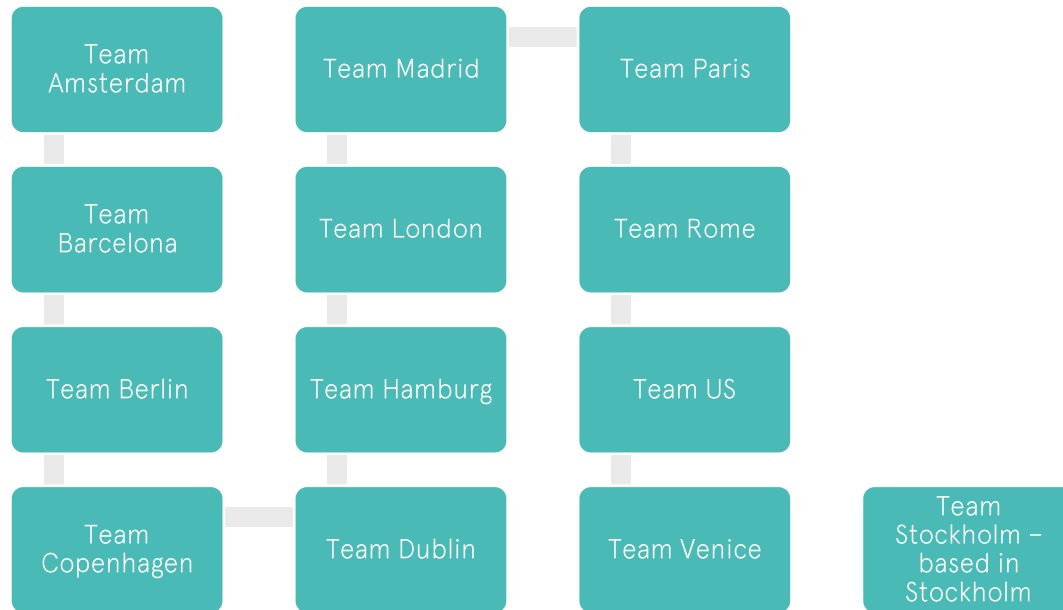

**GENERATOR** aims to provide quality accommodation at affordable prices and to continue to do this need to maximize availability (and profitability).

**REQUESTS** if any of these restrictions apply, the groups team will inform you in response to a request.

# CENTRAL RESERVATION OFFICE

The Central Reservation team is located in Barcelona since 2019 and consists of experts who are familiar with the regions. The team is responsible for all individual and group bookings, enquiries, amendments and invoicing.

# FOOD & BEVERAGE

**BREAKFAST** – Always included in group offers. It's a self-service buffet breakfast that is standard across the chain. It features a deli buffet of cold cuts and cheese, bread, toast, jam, tomato, cucumber, cereals, fruits, yoghurt, coffee, tea and water.

**HALF BOARD** – Available for groups at all Generator properties. The food will be supplied and prepared by our **own Generator kitchen staff**. You can book with us lunch and dinner, served as main course, 2-course menu or 3-course menu. Pricing is different per location. Cost for a 3-course menu are between €9,- per person and €17,50 per person.

**PACKED LUNCHES** – Available in all GENERATOR properties. Packed lunch includes a sandwich, bottle of drink (water / juice), fruit and cereal bar. Cost from €5,00 per person.

**ALLERGIES** – We cater for numerous allergies and dietary restrictions and these should be communicated to us as soon as possible.

**PRE ORDERED** – These services are only available upon request: we need to order the fresh food.

**SCHEDULE** – Depending on how busy a hotel is or how large a group is, we allocate times for the meals. Most of the hotels have about 20-90 seating spaces for groups in the restaurant (we also keep sections of number can vary).

**ALL GENERATORS HAVE A CAFÉ AND BAR AS WELL**

# VENICE

“Roads? Where we’re going we don’t need roads!”

Generator Venice is located on the island of Giudecca, overlooking St Mark’s Square. The building is a 200-year-old Venetian Palazzo that was used as a grain house in the 1800s; we promise that you’ve never ever stayed at a place quite like this.

Venice is a one-of-a-kind destination, but the trick is to have somewhere comfortable to check into when you’ve had enough of the crowds. Between your room, the bar, cafe and lounge, you’ll get enough recovery time, and potentially meet some brilliant new friends while in town.
